HPHP: Bay Area Collaborative Newsletter September 2016

Overview

Image courtesy of Paul Meyers, Golden Gate National Parks Conservancy

Welcome to the Healthy Parks Healthy People: Bay Area Collaborative newsletter.

This newsletter serves as a monthly forum for everyone to share agency updates, events, and highlights with the larger collaborative. This will also be a space where collaborative members

can view collaborative-wide updates, new resources, and updates from various working groups and committees.

Collaborative updates

Upcoming quarterly HPHP: Bay Area meeting dates

Tuesday, October 18th 9:30am-12pm

Creating accessible programs through strategic partnerships

Sheila Coll is the Park Interpretive Specialist at Mount Tamalpais State Park from California State Parks. This feature explores a partnership between Latino Outdoors and California State Parks, and how these two agencies have been able to put on monthly programming that is not only free of charge, but also provides lunch, transportation, and Spanish language interpretation. To read the full feature click [here](#).

Registration closed for the *Health Outdoors! Parks and Health Partnership Forum*

Health Outdoors!

Parks, Public Health, and Community
Promoting Health Equity

September 21, 2016

Fort Mason, San Francisco

The registration for the *Health Outdoors! Parks and Public Health Forum* is full. If you would like to be placed on the waiting list, email Arielle at andiaye@parksconservancy.org.

Tabling at the *Health Outdoors! Parks and Public Health Forum*

Due to a lack of space at the *Health Outdoors! Parks and Public Health Forum* venue there will not be exhibitor tables available for individual agencies. There will however, be a table for attending agencies to display their respective collateral. If you would like to have your collateral displayed at the *Health Outdoors! Parks and Public Health Forum* please email Arielle at andiaye@parksconservancy.org.

Step Out Walk to Stop Diabetes

New HPHP: Bay Area collaborative member, the American Diabetes Association, will be holding an event called the *Step Out Walk to Stop Diabetes* on October 1, 2016 on the Great Meadow at Upper Fort Mason at 10:00 am. This event will consist of a 5k walk or fun run, music, food, family friendly games, and a space for people to learn about diabetes prevention. To register for this event visit diabetes.org/stepoutsf. To learn more information about this event contact Sherga Kong at skong@diabetes.org.

The HPHP: Bay Area collaborative MOU

There is still time to sign the [MOU](#) if your agency has not already done so. If your agency

is interested in signing, please email Arielle at andiaye@parksconservancy.org.

August Site Survey Results

Site surveys now available online

After receiving feedback about program leaders using tablets in the field, First Saturday program site surveys are now available online. We accept both online or emailed versions.

To take access the online version of the survey:

<https://www.surveymonkey.com/r/hphpsitesurvey>.

To download a physical copy of the site survey click [here](#).

Funding opportunities

California State Parks Conservation Fund

Organization: California State Parks Habitat Conservation Fund

Status: Now accepting applications

Closing date to apply: October 3, 2016

Funding maximum: \$2 million with a 50% match required from grantees

Eligible projects: nature interpretation programs to bring urban residents into park and wildlife areas, protection of various plant and animal species, and the acquisition and development of wildlife corridors and trails. Click [here](#) for more information.

Investigator-Initiated Research to Build a Culture of Health

Organization: The Robert Wood Johnson Foundation

Status: Now accepting proposals

Closing date to apply: Applications accepted on a rolling basis

Funding maximum: \$2.2 million will be awarded annually to 5-12 applicants

The opportunity aims to provide individuals, organizations, communities, policymakers, and researchers with the empirical evidence needed to address the key determinants of health encompassed in the Culture of Health Action Framework. This grant consists of four priority areas: Making Health a Shared Value, Fostering Cross-Sector Collaboration to Improve Well-Being, Creating Healthier, More Equitable Communities, Strengthening Integration of Health Services and Systems. For more information about this funding opportunity click [here](#).

Dissemination and Implementation Research in Health

Organization: The Department of Health and Human Services

Status: Now accepting applications

Closing date to apply: May 7, 2019

Funding maximum: \$50,000

This Department of Health and Human Services funding opportunity encourages investigators to submit research grant applications that will identify, develop, evaluate, and refine effective and efficient methods, systems, infrastructures, and strategies to disseminate and implement evidence-based health behavior change interventions, evidence-based prevention, early detection, diagnostic, treatment and management, and quality of life improvement services into public health, clinical practice, and community settings. For more information click [here](#).
